Ashbury College

EARLY CHILDHOOD DEVELOPMENT CENTRE

Your one-stop education solution from pre-grade R to grade 12

Ashbury College is an independent school registered with the Gauteng Department of Education and accredited by UMALUSI. The College was started in 1994 at its current location in Fairleads, Benoni as a combined school, educating students from pre-grade R to grade 12. For your convenience we offer free aftercare for ECD learners until 17:30 with cooked meals.

Ashbury College Early Childhood Development Centre

At Ashbury College our ECD program firstly recognizes that every child is an unique individual who learns and develops at his/her own pace and manner. At the ECD centre our teachers strive for a holistic education. We encourage gross motor exercises on the outdoor equipment as well as fine motor activities in our spacious classrooms. We do this in a warm, kind and nurturing environment.

Early Childhood Development (ECD) can be defined as the physical, cognitive and social development that a child experiences prior to the learner reaching his/her preparatory school entering age. ECD therefore lays the groundwork for successful learning supporting the child to progress into, and adapt to, formal schooling.

ACADEMIC

We follow the curriculum set out by the Gauteng Department of Education. Subjects taught are:

- English
- Mathematics
- Life Skills
- amaXhosi coding programme for Grade RR and Grade R – included in the school fees

SPORT

- Action Ball – Action Ball is aimed at developing motor skills and physical strength in young children. Most of all, it's about being active and having fun.

CULTURE

- Grade R concert
- Celebration of national calendar days e.g. Heritage Day.
- Grade R's participate in the Benoni Eisteddfod

Our ECD centre is more than just a drop-off pre-school. We provide a secure, stimulating and flexible environment in which children may develop socially, emotionally, physically and cognitively.

Ashbury College

PREPARATORY SCHOOL

Your one-stop education solution from pre-grade R to grade 12

Ashbury College is an independent school registered with the Gauteng Department of Education and accredited by UMALUSI. The College was started in 1994 at its current location in Fairleads, Benoni as a combined school, educating students from pre-grade R to grade 12. For your convenience we offer free aftercare for ECD learners until 17:30 with cooked meals.

Ashbury College Preparatory prepares students to be responsible, globally-minded, compassionate, and reflective learners. Our rigorous academic program creates space and time for critical reflection on basic questions about what is good, fair, and just. We teach to the heart as well as the mind.

ASHBURY COLLEGE PREPARATORY SCHOOL (Grade 1-7)

- Computer centre
- Library
- amaKhodi coding programme – Grade 1-3 (included in school fees)
- LEGO Mechanics programme – Grade 4-7 (included in school fees)
- Our students can participate in athletics, cross country, football, netball, softball and tee ball
- We offer drama, chess, choir, Rota-Kids and participation in Eisteddfod
- Extended aftercare programme

At Ashbury College Preparatory, our aim is to provide your child with a well-rounded educational programme, that ensures they are exposed to a wide variety of knowledge and skills, so as to become a useful contributing member of society.

Ashbury College

Your one-stop education solution from pre-grade R to grade 12

Ashbury College is an independent school registered with the Gauteng Department of Education and accredited by UMALUSI. The College was started in 1994 at its current location in Fairleads, Benoni as a combined school, educating students from pre-grade R to grade 12. For your convenience we offer free aftercare for ECD learners until 17:30 with cooked meals.

Our mission is to provide a holistic education based on sound norms and values in a caring and nurturing environment where students are encouraged to reach their full potential in the classroom, on the sports field and in cultural activities.

ASHBURY COLLEGE (Grade 8-12)

- Computer centre
- Science labs
- Library
- LEGO Mechanics programme – Grade 8-9 (included in school fees)
- We offer athletics, football, netball, softball and volley ball
- Students can take part in the Eisteddfod competitions, drama and stage productions

Strong emphasis is placed on preparing the grade 12's for life after school. Our school logo is a tree and as trees grow older they get stronger, bear fruit and provide shade for others. This is also our dream for our matriculants, to bear the fruit of their hard work and become valuable members of society.
